

Hathaway Electronics, Inc.

VT ME NH www.hathawayelectronics.com MA CT RI
HESales@hathawayelectronics.com

Specialty Wire Products: Ultra-flexible Single and Multiconductor cable, Flat, Low Noise, Flexible Power Interconnects to 500MCM. Copper and Copper Clad Al. **Round/Rectangular Litz in many constructions.** Flex Life testing available. www.newenglandwire.com Catheters/Tubing www.newenglandtubing.com

Div OSI Electronics, Inc.

Specialty intensive **Flexible and Rigid-Flex circuits** from one to six layers. In-House assembly with 3 SMT lines. Standard materials as well as High Frequency, **Heavy Cu Planar** up to 16 oz. and various gold finishes. Photoimable Coverlays. www.pfcflex.com

www.enerdoor.com

EMI/RFI Filters in Single, 3-Phase AC, DC filters, Motor Protection.
Passive Harmonic Filters, Voltage Stabilizers, PFC and Surge Arrestors.
Active Ground Noise Reducers
Portable EMI testing services with CE pre-compliance.

Offerings range from Miniature PC, ULTRA RAPID® and Traction to Medium/High Voltage, Motor Drive, Battery Storage and Solar Fuses in an extensive variety of voltages, amperages and package styles and holders. www.siballc.net

Totex Manufacturing, Inc.

Advanced Battery Packs and Charger solutions. Vertically integrated to support Medical, Industrial, Military and various other markets. Provides extensive technical support services including engineering/design for new and existing projects along with comprehensive battery pack testing services and BMS. ISO 9001, 13485 www.totexmfg.com

A vertically integrated manufacturer of Custom Electrical Interconnects. Simple to complex busbars in Cu or AL; Laminated PE platforms; Flexible bus; StormLugs, Bus terminated braid, ultra-flexible options with in-house electroplating and over a million pounds of stock raw material to keep lead times short.

www.stormpowercomponents.com

Powder metal cores in both Iron and Alloys. Engineering focused delivery of the industry's best solutions with the broadest selection of standard materials, shapes, sizes and **customized** parts to meet specific performance requirements. Free on-line software to help engineers design the optimal inductor.

www.micrometals.com

A world leader in Motion Control, Air moving devices and drives. BLDC, Stepper Motors, Stepper Linear Actuators, PMDC and AC Synchronous motors. Value added assembly including Impellers, Fans and drivers.

www.e-jpc.com

Innovative Thermal Solutions

Designs, manufactures and delivers air cooled, liquid cooled heat sinks, heat pipes, and two-phase thermal syphon assemblies for the electronics industry.

www.itscooling.com

Broad range of extremely accurate and stable Application Optimized pressure sensors. Ventilators, Pulmonary, Industrial, FlowD and HVAC.
